

**Lecturer - Mathematics (multiple positions)****Job ID:** 1**Location:** Antalya International University**Regular/Temporary:** Regular**FACULTY VACANCY ANNOUNCEMENT**

Antalya International University is seeking a lecturer to teach mathematics in the College of Engineering starting Fall 2015. The candidates should have PhD or MSc degree in a related field and fluent in English.

The lecturer will perform teaching and related faculty duties in the College of Engineering as well as developing instructional methods and strategies appropriate for courses including, but not limited to, student-centered learning, active learning, writing across the curriculum, online homework, learning communities, service learning, exploration with mathematical software packages and the use of internet-centered educational technology. The selected candidates will be expected to teach 4 courses per semester.

Antalya International University (AIU) is a newly founded university which strives to be the leading university in the region (Central Asia, Russia, the Middle East, North Africa and the Southeastern Europe) and to provide world-class education, with a distinguished academic team dedicated to teaching, research, and service. The medium of instruction is English. Therefore, candidates should have an excellent command of English. AIU has established an international education services office and is rigorously recruiting foreign students with an objective to have 50% of the incoming freshmen being non-Turkish citizens in the next five years. AIU is an equal opportunity employer. Salary is very competitive and commensurate to rank, experience and qualifications. Several fringe benefits (medical health insurance, retirement benefits) will apply. Housing assistance may be provided for some candidates.

The university is located in Antalya, Turkey -a.k.a. the Turkish Riviera, one of the most popular tourist destinations in the world. Antalya, located on the Mediterranean coast of southwestern Turkey, is one of the fastest growing cities in Turkey with a population over one million and is not afflicted by the disadvantages of a metropolitan city such as traffic. Antalya is also considered to be one of the most beautiful cities in the area with sunshine throughout the year, scenic beauty, and magnificent historic sites. Tourism and healthcare are the leading sectors in the area with a rapidly developing industry.

**QUALIFICATIONS**

PhD or MSc degree in Mathematics, Mathematics Education, Engineering or related field. Fluent English is a must. Teaching experience in a diverse community is preferred.

**COMPENSATION**

AIU offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

**HOW TO APPLY**

The application package must include the following materials: cover letter, curriculum vitae, statement of teaching philosophy, evidence of teaching effectiveness, and the names of 3 references. Candidates should email or mail the application package to:

**Contact:** Fatih Camci  
**Email:** [fatih.camci@antalya.edu.tr](mailto:fatih.camci@antalya.edu.tr)  
**Postal Mail:** ıplaklı Mahallesi Farabi Caddesi No: 23 Döşemealtı/Antalya  
**Web Page:** <http://www.antalya.edu.tr>

Inquiries may be made to [fatih.camci@antalya.edu.tr](mailto:fatih.camci@antalya.edu.tr)

Review of applications begins on January 15, 2015 and will continue until the positions are filled.
