

# **On a resolution of non-isolated singularities of surfaces**

**Meral TOSUN**

Galatasaray University

## **Abstract**

We will recall definition of a special class of non-isolated singularities of surfaces and construct their resolutions using convex geometry.

**Date:** Wednesday, November 16, 2016

**Time:** 15:00

**Place:** Erdal İNÖNÜ Seminar Hall, Ataköy Campus, İstanbul Kültür University
