

Wanted! Research assistants (f/m)

Institute of Applied Geometry, Linz/Austria

The Institute of Applied Geometry (www.ag.jku.at) at Johannes Kepler University, Linz/Austria, is looking for research assistants Ph.D. students or postdocs (fixed-term contracts for up to 3 years).

Candidates with a strong background in at least one of the fields of Geometric Modeling and Numerical Analysis are encouraged to apply. Expertise on Isogeometric Analysis is particularly welcome.

A master-equivalent degree or a Ph.D. degree in mathematics, computer science, or a closely related field is required. The working language is English. For more information contact Professor Bert Jüttler, preferably by email: bert.juettler@jku.at

Linz, a city with approx. 200,000 inhabitants, is located at the Danube, close to the Austrian Alps and half-way between Vienna and Salzburg.

Please send your applications with personal and scientific data and a compact statement about scientific interests and achievements to: bert.juettler@jku.at

Postal address:

Univ.-Prof. Dr. Bert Jüttler
Johannes Kepler Universität Linz
Institut für Angewandte Geometrie
Altenberger Straße 69
4040 Linz, Austria

Deadline for applications: continuously

The yearly gross salaries in accordance with the collective agreement amount to €30.077,42 for a Ph.D. (working time 30 hours/week) and to €53.254,60 for a postdoc (working time 40 hours/week).

The Johannes Kepler University wishes to increase the proportion of academic female faculty and, for this reason, especially welcomes applications by qualified women. If applicants are equally qualified, a woman will be given preference for this position. The university welcomes applications from qualified applicants with physical disabilities. These applications will be given special consideration.
